## Exalted Ruler Message

Hello fellow Elks,

This has been a fast year, at first I thought wow, people have no idea how much you need to know to be the Exalted Ruler. Going through the chairs I see now is more important than fellow elks feel is necessary.

Let me tell you how my mind rationalize the situation, as secretary 2 yrs, trustee for 4, scholarship chair for 4 yrs & on many committees, I thought this is going to be OK. I think I'm prepared.

Well did I get a surprise; I do think it should be a 2 yr position. However: I think it would be harder to get the ERs. Just as you get the hang of things like another job your year is up.

I was sad to see my time was up, I thought of all the things I would do & the time flew by. Flying by my husband falling from the roof ridge did help matters.

I am happy to say I am staying on as ER for 2016-2017, I hope that we will get to accomplish all the things we have on our list. It is going to be GREAT!!!!

I look forward to working with all the committees, & fellow elks, doing all the good for all in need that we joined the Paramus Elks Lodge # 2001.
